

23:38 🌙

hey

this is kinda random but

I keep thinking about earlier

same honestly

the whole night was really weird

yeah

but

in a good way though

ykwim?

yeah i know what you mean

it's kind of funny

How a name can suddenly feel like a problem

right

like if you were called something

Jules
Active now

right

like if you were called something
else

you'd still be the same person

exactly !!

you don't stop being you just
because of a last name

i wish everyone saw it that way

also

btw

Meeting you didn't feel accidental

even if the timing was bad

yeah

It felt

real

like

not planned just

there

I'm obv not trying to rush anything

I just don't wanna pretend this
didn't happen

same

i'd rather be honest than act like it
meant nothing

I mean

I guess we'll see where this goes

One step at a time yk?

yeah

no big promises

Just

this
